Options for make-up work:

- 1) Do a two page report (double spaced, 12 point times new roman font) on one of the following:
 - a) a video
 - a. search youtube.com for a video performance similar to something we are currently doing
 - b. make sure to include the url address of the exact link you are evaluating
 - c. critique the performance using similar format to how we are adjudicated
 - b) a recording similar to something we are currently doing
 - a. search iTunes for a piece of music similar to one we are studying
 - b. make sure to accurately document the actual recording – who recorded it, when, where, etc. Give as much information as possible
 - c. critique the performance using similar format to how we are adjudicated
 - c) a notable musician, group/band, composer, style of music
 - a. wikipedia.com is not necessarily a credible source. It may be a good starting point, but be wary of information, especially if it has been altered.
