Re: Scrip Program

This is the current list of merchants that participate in the Scrip Program. For exact guidelines or restrictions please call or look up information on-line for the particular merchants you are interested in, thanks.

The percent earned by a student reflects the 1/2% postage and handling fee that is deducted by the Boosters from all orders.

During the school year, you may send your order to school to be placed in the mailbox in the band room, mail them to my address, or drop them off at my house. All orders are due to me by **3pm** on Sunday (there is a FZW box on my porch).

During the summer orders can be mailed to me or put in the box on my porch - all orders are due to me by **3pm** on Sunday.

**Make all checks or money orders payable to:
Ft. Zumwalt West Band Boosters**

Orders will be sent home with your student the following Friday (unless there is a shipping delay), or you may pick your order up at my house (you will receive a call when your order is ready, then just call to make sure someone is home to give it to you).

Having an order mailed is also an option - please note that I will mail the orders sometime between the Friday they are delivered to school and the following Monday (I'm sure you understand with gas prices). Also **NOTE**: Scrip Orders being mailed are **NOT** insured, it is placed in regular mail and we are not responsible for it once it is left at the post office. Scrip should be regarded as cash (please keep this in mind when having it mailed to you).

No refunds can be given.

Scrip should be treated as you would cash.

If you have any question, comments, suggestions or problems with Scrip, please contact:
